

IMMACULATE HEART OF MARY CATHOLIC CHURCH

Active Parishioner Guidelines

At IHM, we pride ourselves on fostering a Christ-centered, family atmosphere. Our school administration works with our families to meet the needs of every student, and we strive to maintain affordable tuition rates for all families. Our parishioner tuition rate is actually lower than our cost per student because of the generous investment our IHM Parish makes to provide a Catholic educational program for our community. That parish investment in our school is possible because our parishioners support our ministries with their tax-deductible gifts.

To be considered an Active IHM Parishioner to obtain the parishioner tuition rate and application priority, the guidelines as defined below, must be met for a family to qualify.

- **Registered as an IHM family** – The Parish office maintains our parishioner records, so you must be officially registered in our parish system. Please use this link to do so: [Join Our Parish - IHM Indianapolis](#)
- **Regular Mass attendance** – Consult with our Pastor to determine weekly attendance as required by his criterion.
- **Regular and appropriate stewardship contributions to IHM** – The Parish business office manages all stewardship contributions to IHM. A working family should make regular contributions totalling at least \$1,000.00 annually. This amount represents approximately half of the average annual giving level of all contributing parishioners at IHM. Individual circumstances will be taken into consideration when requested. - **Sharing time and talent in ministry at IHM** – Consistent involvement in parish and/or school opportunities.
- **Commitment to the “broader Church” through participating in periodic capital campaigns** – Capital and other specific fundraising campaigns are initiated from time to time to sustain our facilities and programs, and participation is required to qualify for active parishioner status.

It is acknowledged that individual circumstances may limit a family’s ability to participate fully in these guidelines for qualification as active parishioner status. Consideration will be given in these circumstances, but such consideration must be requested, so please contact our parish office at 317-257-2266.

Your status as active parishioner or inactive parishioner will impact the priority of placement for school applicants and your school tuition rates. Active Parishioner Status entitles school families to pay a lower tuition rate than inactive parishioners. If after an evaluation of school families is completed, and it is determined that your family has not met the guidelines, a letter will be sent informing you of your inactive parishioner status. At that time, unless you have previously contacted our pastor, the tuition for your children would reflect this inactive status.
